About Y2K

About

Y2K is a high-energy, male/female-fronted live band bringing the biggest rock, pop, pop-punk and party hits of the late 1990s and 2000s back to the stage.

Built for festivals, clubs, private events and packed dance floors, Y2K delivers a fast-moving show loaded with songs audiences know every word to—from pop-punk anthems and alternative rock to massive pop hits and guilty pleasures from the era of TRL, burned CDs, AIM away messages and flip phones.

With powerful dual lead vocals, a full five-piece band and a setlist designed to keep the energy moving, Y2K recreates the soundtrack of a generation without feeling like a typical tribute act. The goal isn't to imitate one artist—it's to create the ultimate late-'90s and 2000s party.

Expect big singalongs, nonstop nostalgia, crowd interaction and a show built to make people say, "I forgot how much I loved this song."
