Back To The Start

About

Back to the Start is a tribute to the music and spirit of Coldplay, delivering a dynamic and emotional live experience that connects with audiences of all ages. The band captures the sound, energy, and atmosphere that have made Coldplay one of the most celebrated acts in the world. Each performance is a full-scale concert experience, blending powerful musicianship with immersive lighting and visuals to create moments that feel both intimate and anthemic. Fans can expect the same heartfelt emotion, singalong moments, and uplifting energy that define a Coldplay show. Led by vocalist and multi-instrumentalist Scott Ivey, the band features Eric Johnson on guitar, Daniel Ellis on bass, and Danny Sullivan on drums. Together, they bring authenticity, passion, and precision to every song, creating a show that celebrates Coldplay's music as it's meant to be heard—live, loud, and full of heart.
