About

Right from the 80s!! Award winning, highly specialized 80s tribute Flashback Heart Attack has the uncanny ability to captivate audiences taking them on an immersive musical journey. It's high energy, crowd engaging fun for all ages with a look and precision sound that is second to none.

It's so good, Flashback Heart Attack is revered and endorsed by the very 80s artists that wrote the hit songs. Whether playing events for Ariana Grande, Green Day, KISS, Clint Black for 10,000 people or 100 people at your private event – big or small Flashback Heart Attack gives 100% every time.

This band proves they are more than just a “tribute” band. NO iPads on stage – reading the lyrics or music. Flashback knows the material and gives a straight up performance guaranteed to be the talk for years to come.

Flashback Heart Attack is hired repeatedly by classic institutions like Disneyland, our military, headlining festivals and events across the country and abroad.

Charity is a big deal for the band. Flashback has partnered with global charities like Make a Wish, Habitat for Humanity, CFF, Michael J. Fox Foundation and many, many others to audiences delight. They have played events of all themes. 80s, Nautical, Black Tie, Luau, Glow Parties, hair metal, Diamonds & Pearls, 70s and even country!! (We can help you plan also) Doesn't matter.

The band strives for packed dance floors and guests singing along to the greatest era in music.

If you know who we are, you what we do.

If you're new to the band, take a look at the extensive photos and videos. See the level who hires the band, the Grammy winners who join the band on stage, the caliber of talent that the band attracts, hopefully you'll understand the difference in the quality of talent at your event.
