Nirvanish

A Tribute to Nirvana

About

Nirvanish is a tribute to Nirvana that strives to replicate the audio integrity of Nirvana's recorded work while capturing the electric fury that the group was known for on stage. We specialize in tribute performances of the entire 'Nevermind', 'In Utero' and "Unplugged in New York' albums, with additional well known singles for the passing fan and deep cuts for the die-hard grunge rocker. Nirvanish captures the raw live experience for the many fans that didn't have the opportunity to see the legend in person.
