Paging the 90s

Unleashing 90s nostalgia with the greatest hits of the raddest decade!

About

Paging the 90s builds its show around one decade and every style it produced, moving between the era's most familiar hits instead of sticking to a single genre. The San Diego band treats each night as a celebration of the 90s, aimed at people who lived through those years and at younger listeners hearing the songs live for the first time. Its calendar covers festivals, music venues and private events across Southern California.
