Siamese Dream

Tribute to Smashing Pumkins

About

Full album performances and acoustic sets with cello give Siamese Dream more than one way to revisit the Smashing Pumpkins. The Atlanta quartet includes Steve Money, Amy Epperley, Andres Sosa, and Kent Aberle, all national touring musicians. They study the original lineup's appearance and guitar sound down to pickup setups, effects pedals, and custom Stratocasters.

The program spans '90s hits, deep cuts, and b-sides. Album shows can cover Siamese Dream or Mellon Collie and the Infinite Sadness in full, while the acoustic format offers a different setting for the same musical world.
