Soundslave - A Tribute To Chris Cornell

## About

Soundgarden, Audioslave, and solo material connect the different chapters of Chris Cornell in Soundslave. The Houston tribute builds its program around vocals, guitars, and a driving rhythm section. Black Hole Sun, Spoonman, and Fell on Black Days lead toward Like a Stone, Cochise, and Show Me How to Live. The range lets the show move from Seattle grunge into the bigger rock sound of Audioslave, with the voice as the common thread.
