The Blinding Lights

The Weeknd’s biggest hits, sung live by Matias with a four-piece band.

About

Blinding Lights, Save Your Tears, Starboy and Can't Feel My Face are the backbone of The Blinding Lights, the Los Angeles show where vocalist Matias leads a live salute to The Weeknd. The set spans House of Balloons through After Hours, with The Hills and Die For You in the mix. Keys, guitar and drums play live alongside the lead, locked to click and tracks, and the stage is lit in moody reds and blues with white flashes and haze. Two 45-minute sets suit festivals, casinos, corporate events and private parties, and past dates include the Panama City New Year's Eve Celebration, Feather Falls Casino and a Florida Festival and Fair Association conference.
